Be sure to check your spam or junk mail as many of your email providers may not recognize the new email address for your Monthly Statement.

Karen Cervantes

Director of Catering and Member Relations

Welcome January 2024!

A special thank you to all who have been patient with the front office during the end of 2023 with the many transitions of our system and the 2024 Membership rates.

If you were unable to get back to me regarding your membership your account was moved to a membership that closely resembles your current membership. For Social Membership accounts your account was discontinued and your membership profile was also moved to public.

Due to the system processes I had to call and email every golf membership in order to make the change as many of the new rates had changes to the age range. I welcome you to call, email, or call me to ensure your account is under the membership category that you would like. As a reminder all memberships are month to month unless you opt in to pay annual rate in full.

I want to highlight that for 2024 the goal for the front office is to continue to clean up data that was transferred from Clubessential to Teesnap. What I ask of each of you is to kindly review your account profiles on Teesnap and be sure your contact information such as address, phone number, and date of birth are correct. Also, if you currently have a cart barn or a locker to ensure all our records match please email me your cart barn number and locker number. If you need help with accessing this information, kindly call or stop by the front office.

Happy New Year!
