From the Board

MESSAGE FROM BOARD

Greetings everyone. We hope you are enjoying your summer time at the club. There is nothing major to report this month. The Lemon Lawsuit is in the discovery stage, mostly gathering documents to help support our case. Trial date is set for January 2025.

We are very fortunate to have one of the best club managers in the country. Mark Fragale continues to move the club in the right direction with all his managerial experience and expertise and thus allows the board to focus on long term projects that can enhance future profits. There are still many necessary capital improvements items that need to be accomplished in the coming years so raising capital continues to be a concern.

We would like to ask for all your help especially on the golf course and with weekend tee times. Staying on the cart path as much as possible preserves the integrity of the grass as well as NOT riding carts close to the greens. It only takes 30 extra seconds to reach the green from the cart path as opposed to parking next to the green. Please remember to cancel tee times you will not be using as soon as possible. If you are unfamiliar with the process, please stop by the pro shop or call them or the front office and someone can assist you. By making those times available, the club can sell those tee times to non-members and thus create more income. Riding together in our new fleet of golf carts also helps to extend the life of the new carts. We hope everyone can abide by these simple activities that can both save money and expenses over the long haul.

Stay cool everyone!

Sincerely, Gina Hutchison

Pro Shop Announcements

We hope that everyone is enjoying the new Yamaha Golf Carts. We want to make sure the appearance and features of the cart are well maintained, with that being said we ask that you ride with care and adhere to the rules set for the carts. Members when making tee times from sun up to 11:00 AM please realize these tee times are in high demand and not easily filled when there are same day cancellations. Early morning golfers call other courses when tee times are not available. This topic is coming up as we have been having a handful of late cancellations or group bookings with less golfers showing at the time of the reservations. Keep in mind one tee time is valued at \$328. Also, for the late afternoon golfers we ask that the carts are returned no later than 7:45pm as the hours indicate return is at 7:30 PM. Breakfast is available 7-days a week Monday-Thursday 8:00 AM to 11:00 AM and Friday - Sunday 7:00 AM to 11:00 AM to see the full menu please visit our website and click on the BFast tab available on the homepage. The new GPS package for the new golf carts will be coming in September 2024.
