By-Laws, page by page. Sally, our secretary, sent out copies of the revision for 2025. Pat asked everyone to make their own copies of this revision. Pat then opened up the discussion with those members who were attending this meeting.

Pat thanked Johnnie, for reading all the By-Laws and for reporting the findings of the evening meeting regarding recommended changes, revisions, and updates of the Bylaws. Pat encouraged the members present to ask questions and/or to discuss the proposed changes before voting to accept or reject them.
